SECTION 1 – OVERVIEW

The Georgia State Capitol building is the State’s legislative center and an architecturally and historically significant facility located in downtown Atlanta. The building is listed in the National Register of Historic Places.

These guidelines are provided to govern the temporary use of the public spaces of the State Capitol building and grounds. The Board of Regents maintains the Georgia Capitol Museum located inside the Capitol and conducts tours of the Capitol.

Permitted temporary uses of the public spaces within the Capitol are conditioned upon acceptance of and compliance with these guidelines and payment of applicable fees. A person who refuses to adhere to these conditions is subject to criminal penalties provided by law and to immediate removal from the Capitol building and grounds.

Sponsoring organizations who are authorized, in accordance with these guidelines, to use the public spaces within the Capitol release the State of Georgia, the Georgia Building Authority (GBA), its members, officers, agents, and employees against any and all damages, claims, or other liabilities due to personal injury or death, or damage to or loss of property to others, arising out of the temporary use of any State facility, except to the extent of the sole negligence of GBA.

The Georgia Department of Public Safety (DPS) and the Georgia Bureau of Investigation (GBI) are the law enforcement entities responsible for security of the Capitol building and grounds. DPS or GBI may suspend or modify the use of the Capitol building and grounds and adopt temporary guidelines as needed.
